EDUCATION

Ph.D. in Cybersecurity — 2024 may - present
University of Zaragoza (UNIZAR)
Research in network-based malware detection using machine learning techniques for identifying and mitigating malicious activity

Master's Degree in Cybersecurity — 2022 sep - 2023 sep
University of León (ULE)
Master's degree in Cybersecurity Research with average mark grade of 8.57, thesis related to AGD detection

Computer Science Engineering — 2018 sep - 2022 jul
University of Zaragoza (UNIZAR)
Bachelor's degree in Computer Science with average mark grade of 7.6 and graduated with honors in *Artificial Intelligence* subject

Professional Music School — 2015 sep - 2022 jun
Conservatorio Profesional de Música de Zaragoza (CPMZ)
Specialized in Bassoon and knowledge in Musical Theory, Harmony, Analysis, Piano and Digital Music Edition

Elementary Music School — 2011 sep - 2015 jun
Conservatorio Profesional de Música de Zaragoza (CPMZ)
Specialized in Bassoon and knowledge in Musical Theory

LANGUAGES

Spanish	**Native**	**English**	**B2+**

CERTIFICATIONS

B2 Cambridge English: First (FCE) — 2023 dec
Cambridge University English

RELATED CERTIFICATIONS

Driving License — 2023 mar
DGT - Spain
Driving license B in Spain, allows to drive cars, vans, motor tricycles and motor quadricycles

WORK EXPERIENCE

University of Zaragoza — 2024 may - present
Zaragoza, Spain (Hybrid) — 5 months

- **Initiated Researcher (N3)** — 2024 may - present — 5 months

  Research in network-based malware detection using machine learning techniques for identifying and mitigating malicious activity

Teltronic — 2022 oct - 2024 may
Zaragoza, Spain (Hybrid) — 1 year 8 months

- **Cybersecurity Engineer** — 2023 may - 2024 may — 1 year 1 month

  Cybersecurity applied to product (LTE and 5G), code analysis, cryptography and network analysis

- **Cybersecurity Student Internship** — 2022 oct - 2023 apr — 7 months

  Risk analysis, vulnerability management and elaboration of cybersecurity reports
